

Students

Give thanks for the students and pray for them as they learn through their lectures and assignments. Please especially pray for the new students that have started in Semester 2 that they settle in well to new routines, study habits and college life.

Future Students

Please give thanks for the men and women who have made commitments to study next year and for those making enquiries.

Pray that there will be a good turn out at the next Information Night on 23rd September and that more people will take up the opportunity to study at Trinity.

New Graduands

Please give thanks for our new graduands; our students who have completed their studies mid year.

Graduates

Please pray for all Trinity graduates as they serve the Lord Jesus Christ. Pray that they will be kept strong in their faith and find support through challenges of ministry.

Pray particularly for those who are serving the Lord across cultures. Pray for cultural sensitivity, the building of relationships and wisdom in sharing the gospel.

Church Partnerships

Please give thanks for churches around WA who work in partnership with Trinity to train and support new Christian leaders. Pray that Trinity graduates and students will be a blessing to them in their ministry and mission. Pray also that people in ministry will benefit from lectures and seminars offered at the college and the library.

Events

Praise God for the **Ministry Matters Seminar** and the **Annual Trinity Lecture** that was held on Monday the 24th of August. Give thanks that Dr **Paul Barnett** could be with us and that he was used by God to encourage and enrich those who attended.

Staff and Leadership

Give thanks that Trinity have been able to appoint Clare Deeves as the new **Lecturer and Coordinator of Women's Ministry Development**. Pray that God's hand will guide the whole process for Clare to commence at Trinity in 2010.

Please give thanks to God for the Trustees, council members and all who volunteer their time and expertise at the leadership level. Pray that they will continue to lead wisely over the coming year.

Please pray for the administration staff who work behind the scenes to ensure the smooth running of the college.

New Course

Give thanks that the new Missions course "**Ministry in a Culturally Diverse Context**" is underway and pray that this will enrich the students understanding in this important area.

Trinity@Night

Please give thanks for the excellent turnout at the Term 3 Courses. Please pray for growth in faith and understanding for those who attend.

Financial Support

Please give thanks for the vision and commitment of Trinity's financial supporters.

Please pray for sufficient funds to cover this year's budget needs, particularly in the Library. Please also pray for enough resources to enable the college to continue to grow and accommodate increasing numbers of students.

Please pray that the current state of the economy will not adversely affect this growth and that more men, women and churches will consider prayerfully the benefit of investing in the training of future Christian leaders for God's glory.

Praise God for his grace to us in Jesus
