3-Year Courses

These courses will give you a thorough biblical, historical and theological framework for communicating the Gospel faithfully, as well as appropriate skills for a range of ministry positions.

[Bachelor of Theology](#)
[Master of Divinity](#)
[Certificate of Ministry](#)

Our 3-year courses are designed to prepare you for effective, life-long Word ministry. We believe enrolling as a full-time student is the surest way of laying ministry foundations that will last. This allows you to be immersed in God's Word and surrounded by a community of godly people. It gives you the opportunity to build valuable friendships and lasting networks. Our 3-year courses are fully accredited by the [Australian College of Theology \(ACT\)](#) [[link to http://www.actheology.edu.au/](http://www.actheology.edu.au/)] which means your qualification will be internationally recognised. It also means that FEE-HELP is available to eligible students.

The [Certificate of Ministry](#) [[anchor link to #Certificate of Ministry](#)] complements our 3-year courses with further training in practical ministry skills.

If you want to enter long term Word-based ministry such as a church pastor, missionary, youth worker, etc., we strongly encourage you to consider one of our 3-Year degrees on a *full-time* basis. This best prepares you to begin full-time ministry.

Your suitability for a specific course will depend on your educational background, faith journey and study goals.
