

Prayer Notes

Trinity Theological College

October 2018

Dear Prayer Partner

What a joyous occasion the 21st Celebration was! It was wonderful to see around 300 people joining in praising God for the work he has done through Trinity over the past 21 years; how faithful he has been with his provision of students, staff and finances and to stand together as we trust him for the future.

'Give thanks to the Lord, for he is good; his love endures forever.'
Psalm 118:1.

Sunday – Students

Praise God for: the very successful Information Night and Open Lecture last month

Pray for: God to sustain our students through their studies; that they would dig deep and build strong foundations for their future ministries

- For energy and health for Faculty and students as they head into the last month before exams
- God to be with the men and women who attended Info Night and/or Open Lecture; that those prayerfully considering study in 2019 would complete their inquiries and applications in a timely manner
- The Lord to prompt others who are interested in study to contact the Registrar's department soon

Monday – Graduates

Praise God for: our graduates who were able to share at the 21st Thanksgiving Service how God is using them in Gospel ministry

- The communities being impacted by our graduates
- Pray for:** our graduates who minister in remote, rural or hostile areas; that God's peace and comfort would sustain and strengthen them as they remain faithful to their calling
- Graduates in chaplaincy ministry; that they would 'bind up the broken hearted' and point them to Jesus

Tuesday – Trinity Women and Library

Praise God for: the Trinity Women and the recent Family Picnic

- The support to maintain the library at a high standard
- Pray for:** the Trinity Women committee with their preparations for the Women's Breakfast on October 20; that women will be blessed by the message
- The relationships begun at College would continue to be built on to provide good levels of support for students and families into their future ministries
- Good planning and decisions for the 2019 Library budget
- Continual upgrades to the library to provide suitable and comfortable space for our users

Wednesday – Faculty and Staff

Praise God for: a staff that works well together particularly during busy times

- Dan Cole completing his dissertation; pray that his writing will bring insight and understanding to him and others
- Pray for:** the process of appointing a Development Coordinator; for the right person at the right time
- God's sustaining grace, wisdom, good time-management skills and energy for those with additional responsibilities in the absence of a Development Coordinator and with David Kummerow on sabbatical
- The Registrar's department preparing for exams and next year
- Eleanor Lyons heading to the Registrar's Conference; that she would understand the implications of ACT proposals on Trinity
- Thom Bull's wife, Mary Jane; for energy and protection in the last stages of pregnancy

Thursday –General

Praise God for: the 21st celebrations and the reminder that the need for well-trained ministry leaders is as relevant today as it was then

- The evidence throughout the Thanksgiving Service of God's plan, provision and workers humbly fulfilling their calling
- Pray for:** the College to continue to keep the Bible and God's Word as the centre of all that is taught and done
- The Lord to continue to provide more people who want to train to serve him in Gospel work, locally and further afield

Friday – Finances and Relationships

Praise God for: his wisdom for Don, Joe and the Council as they carefully manage the resources of the College

- Pray for:** God's continued oversight of the search for tenants for Trinity House; that this income supplement would resume
- Good financial management skills and wisdom as we enter the annual budgeting process

Saturday – Certificate in Christian Studies

Praise God for: Dan Cole's successful trip to Busselton teaching on 'The Big Picture'

- Churches who have partnered in the past, hosted courses and been willing to be involved in the logistics and promotion of Trinity@Night and Trinity in Town courses
- Pray for:** those who have done Trinity@Night and Trinity in Town units this term that they will be encouraged as they think more deeply by writing the essay
- David Kummerow and Forrest Candy as they teach in Term 4; for faithful teaching, energy and wisdom
