

Trinity Theological College Prayer Notes

October 2019

Dear Prayer Partner

Our Prayer Notes will now be featuring someone from the Trinity community with a brief insight into their hopes and plans for the future and how Trinity is playing a part in that. We aim to increase our supporters' sense of connection so they can pray more specifically for the needs of the different groups within our community; *"for just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body..."* Rom 12:4-5a

Let us lift up our College, students, graduates and supporters in prayer. Thank you for your continued support.

My name is Debbie Yong and I grew up in a Christian home in Canberra before moving to Perth for university. I chose to study at Trinity upon recommendations from friends and pastors who valued their commitment to be faithful to Scripture, which is foundational for all we do in ministry. Since commencing my studies I've come to appreciate the depth, glory and richness of Scripture like never before; having my heart grown and fed profoundly whilst feeding my mind. Once I graduate, I am planning to do full-time ministry in a local church.

Please pray for diligence in studying but also continued devotion to God in his Word and also for the opportunity to study full time with the help of financial support from others.
