

Trinity Theological College Prayer Notes

January 2020

Dear Prayer Partner

The start of a new year...2020! Our students are enjoying their time of rest and relaxation and they, and our new students, are getting their lives ordered in readiness for the start of the new academic year. We trust God to enable them to balance their work and finances, family, friends and church life in order to meet the challenges of study. *"But one thing I do: forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God called me heavenward in Christ Jesus."* Philippians 3:13b-14

Let us lift up our College, students, graduates and supporters in prayer. Your continued support is so encouraging; thank you.

My name is Howard Liu, and I am originally from Taiwan. I enrolled at Trinity because of the recommendation of a graduate, one in whom I had witnessed change since he became a student. I was impressed with the way Trinity focussed on character building as well as academic study, which is something the Church needs today. It was during a mission trip that I felt the need and passion to serve God in a full time capacity. I would like to gain some experience building my character further in a church pastoral position before going to the mission field.

Please pray that I can do well in my studies, not only academically but by being changed through knowing God more clearly and following him closely; that I can minister to others in my church. Pray that on completion of my course I can serve in a mission focussed church.
