

Trinity Theological College Prayer Notes

February 2020

Dear Prayer Partner

Welcome back to a new academic year! This month we'll be welcoming new and returning students with Orientation Day and Day Together introducing them to the Trinity community. Our hope is that their time here will equip them well for gospel ministry in the area for which they are preparing. We trust strong friendships will form that will prove important and beneficial in their life after college encouraging them just as Timothy supported Paul. *'That is why I sent you Timothy, my beloved and faithful child in the Lord, to remind you of my ways in Christ, as I teach them everywhere in every church.'* 1 Corinth 4:17 ESV

Let us lift up our College, students, graduates and supporters in prayer. Your continued support is so encouraging; thank you.

My name is Kate Howard, and I am currently caring for two young children whilst studying and supporting my husband, Scott, through his studies. I enrolled at Trinity because I saw how much Scott was enjoying his course and how it was preparing him for ministry. The lecturers are really invested in preparing us for ministry, not just in the 'ministry' classes but also in the more 'academic' classes as they show us how what we are learning applies outside the classroom. When we graduate we are hoping to serve overseas, maybe in a university or ESL context.

Please pray for me as I juggle family and study; I am still working out the balance of being a wife, mum and student! Please also pray that the motivation of completing assignments and exams will have me delving deeper into God's Word and theological books; changing me to be more Christ-like.
