

Associate Pastor

We have an exciting opportunity for an Associate Pastor to join our ministry team at Southern River Church of Christ in Perth, Western Australia.

Southern River Church of Christ is a small, multi-generational neighbourhood church with a focus on reaching the lost from all cultures and backgrounds in the southern suburbs of Perth with the love of God and the gospel of Jesus Christ.

The Church is looking for someone who reflects their values (Our vision is to build a church committed to the truth of God's Word, which welcomes the presence and leading of the Holy Spirit and impacts the wider community). Southern River CoC is a congregation in the Churches of Christ family of churches in Western Australia.

We look forward to hearing from you.
