

# TRINITY THEOLOGICAL COLLEGE

## PRAYER NOTES

November 2021

Dear Prayer Partner

How can we not praise our Lord and Saviour for the hope we have in him; for the grace and mercy he bestows on us daily; for his love and comfort and daily provision? And, we are so very thankful to you, our faithful partners, praying for the work of Trinity equipping our students for Word ministry, for our students, for our faculty and staff and every other person connected to our community; helping us to function as 'the body of Christ'. Join us once again praying for the month of November.

My name is Emma Chin and I am married to Kim. We are both involved in our local church, Dalkeith Anglican, with the young adults and music ministries. I became a Christian through faithful youth leaders who were patient in sharing the gospel with me. I am studying for my Grad Dip Div to be equipped for a lifetime of ministry with my husband; the plan being to serve in the local church. Whilst at Trinity I have enjoyed growing friendships with like-minded people and processing what we are learning about God together. I am amazed at God's timing teaching me things that are immediately applicable in my own life and with people to whom I'm ministering. Thank God that I can receive such good training through Trinity and pray that the truths I learn will hit my heart and that I will grow in service of others.
