# PRAYER NOTES FROM TRINITY

My name is Jemima Halls, and I am studying a Master of Theological Studies here at Trinity. My mum studied here when I was a teenager, and it was during that time that I began to appreciate how cohesively and beautifully the Christian faith holds together.

One of the things I especially value about studying at Trinity is the questions people ask in class. There's a shared desire to know God better together and to meet him in his Word, which I find deeply encouraging.

I'm currently studying part-time and spend a lot of time connecting with other mums through church at St Matthew's Anglican Church and in the wider community, many of whom don't yet know Jesus. I would really appreciate prayer that when people ask how my studies are progressing, I would be bold in commending the gospel and eager to share the joy and hope we have in Christ.

Please join with us in daily prayer; our major prayer points are in **blue**...
