# PRAYER NOTES FROM TRINITY

Hi, my name is Kian Meyerink, and I'm currently in my second year of a Bachelor of Theology at Trinity. I've been thoroughly enjoying my studies so far. I grew up as a missionary kid in a small evangelical church plant in rural Ireland. I've been a believer for as long as I can remember and have always been wholeheartedly committed to sharing the gospel. Since returning to Australia, I've been attending Hope Community Church in Baldivis. I chose to study at Trinity because it offers solid, Bible-based training that will prepare me for a lifetime of ministry. One of my favourite aspects of studying here has been access to the extensive library resources.

Please pray that I wouldn't become overwhelmed this semester as I balance my studies with church employment, and that I would make time to enjoy the early stages of marriage with my wife, Eboni.

Please join with us in daily prayer; our major prayer points are in **blue**...
