Overseas Student Support (registrar@ttc.wa.edu.au)

The TTC Registrar is the designated overseas student liaison officer. Any questions or concerns relating to support services for overseas students can be directed to Eleanor Lyons.

Please note that the Australian Government has recently announced pandemic financial support payments for overseas students. For more information on the financial support payments, including eligibility criteria, refer to <https://www.servicesaustralia.gov.au/individuals/services/centrelink>.

Pastoral Care (registrar@ttc.wa.edu.au)

All full-time students participate in pastoral care groups. Part-time students may also participate if they request permission to do so and subject to faculty approval. Each group is led by a TTC lecturer and meets weekly to provide support and encouragement specific to student-life at TTC, as well as for prayer and personal support in life outside College. Students get to know other students better and develop friendships that serve them in studies now and ministry in the future. Prayer and fellowship are the two big ideas for these groups. Students remain in a group for the academic year, then change from year to year. A three-year student, then, can expect to have three different PCG leaders.

Safe Guidance Officer (gillian.kirkness@ttc.wa.edu.au or grant.taylor@ttc.wa.edu.au)

As an affiliate college of the Australian College of Theology TTC has a staff person assigned as the Safe Guidance Officer for vulnerable persons, including minors and reports of sexual assault or harassment, or other abuse. For immediate attention call the college on 9228 9067. If you need urgent attention outside of college hours, please call 000 if it's an emergency or one of the support service numbers listed below.

Student Advocacy

The Trinity Student Council exists to promote community within and support the student body. This is done by organising events and providing services as decided by the Student Council. In the past this has included such things as provision of a student canteen, organising the end of year dinner, helping with orientation events, organising college lunches and advocating improvements to services/facilities on behalf of students.

The Trinity Student Council consists of four to six elected Student Councillors, and a member of faculty.
