

TRINITY THEOLOGICAL COLLEGE PRAYER NOTES

February 2023

Hi, I'm Kelsie Stanford and I've decided to do another year of full-time study after having completed the Diploma of Theology last year. I am the eldest of 4 and grew up in a Christian home. Both my parents have passed but I have a step-mother and step-siblings. When I was working full time I felt the need for a serious Bible study I could do after hours, to help me understand the Bible and discern biblical truth from all the 'close but not quite right' stuff out there. I found Trinity@Night! Then I resigned from my job during the COVID mandates which gave me the opportunity to study full time! The learning at Trinity is invaluable but the conversations and growth is also quite precious. I have no actual plans at the moment for the future but am looking into the possibility of mission work. Please pray I survive Greek this year and that I make the most of opportunities to share what I'm learning with others.

Please join with us in prayer; our major prayer points are in **blue**...
