

TRINITY THEOLOGICAL COLLEGE PRAYER NOTES

December 2023

Hi! I'm Aidan Smith, I'm married to Jess with a young son, Riley, and I'm doing an internship at Providence Bayswater. I have been trusting Jesus my whole life having grown up in the brethren church, but my maturity in faith and understanding has grown over the years, particularly being part of Christian Union at UWA. I chose to study at Trinity upon recommendations from friends who had studied here and also having other friends who were commencing at the same time as me. This is a decision that has been affirmed by the quality of the teaching and the great community being able to talk through the things we are learning. When I complete my MDiv, I am hoping to go into church ministry somewhere in Perth. Please pray that I will use my final year of study well, growing both in character and understanding, and that God will sustain our family as Jess returns to part-time work.

Please join with us in daily prayer; our major prayer points are in **blue**...
