PRAYER NOTES FROM TRINITY

Hi! I'm Josh Haynes and I've recently started studying an MDiv at Trinity. I'm married to Sharon and we currently attend Campus Bible Church. Growing up, I attended church regularly but for a long time thought that being a Christian was about doing good to avoid God's punishment. It wasn't until Uni that I came to understand grace; that God loves me not for the good things I can offer him but because he is supremely gracious. It was this realisation that led me towards ministry work and studying at Trinity, that I might grow and encourage more people in knowing our gracious God. So far at Trinity I've loved seeing the complexity and detail of the Old Testament books as well as (dare I say it) learning Greek! I've also really appreciated the pastoral care of the Trinity staff. They care deeply for us students beyond just understanding content, and constantly look to grow us in our trust of Jesus. That's been a huge encouragement! On completing Trinity, I'd like to work in full-time vocational ministry but am still hazy on the details. Please pray that I will continue to adjust to the change from a ministry apprenticeship to college, and that this time digging into God's Word will grow me deeply in my love and trust of Jesus.

Please join with us in daily prayer; our major prayer points are in **blue**...
