Summary –

The Good Shepherd Anglican Church Edge Hill (TGS) Leadership is looking for an assistant minister to join our team. We are keen to continue growing the congregation in spiritual maturity and in numbers, with a particular focus on discipling emerging leaders and increasing our impact in serving our local community. Therefore, we are looking for a dynamic evangelical minister, who is a gifted preacher with strong pastoral skills, is able and willing to work collaboratively with the senior minister and the leadership team generally. The assistant minister would preach at both services regularly as well as primarily be responsible for leadership and oversight of our evening service, small groups and youth ministry.
