PRAYER NOTES FROM TRINITY

Hi, I'm Joy Owuor and I'm currently studying part-time for a Diploma of Theology while serving at North Beach Baptist Church as an MTS apprentice in children's ministry. Originally from Kenya and raised in Cape Town, South Africa, my faith journey began in a warm Christian community during primary school as well as within my family. Despite initial reservations about theological studies due to past experiences with further post-secondary study, encouragement from mentors and my family led me to pursue it to enhance my ministry and deepen my faith. I have found Trinity Theological College highly recommended for its supportive environment and I'm appreciating my studies, especially in the Old Testament. I value the mentorship I receive and see my studies as integral to my spiritual growth and ministry preparation. Please pray for my continued growth in my faith and understanding of Christ's sacrifice as I progress in my studies.

Please join with us in daily prayer; our major prayer points are in **blue**...
