PRAYER NOTES FROM TRINITY

I'm Alex, enrolled in a Master of Divinity while working as a ministry apprentice at Providence City. I first heard about Jesus through a local church's after-school kids' program - apparently, my mother and I became Christians on the same night but at different places! There've been lots of ups and downs in my faith since then but, God willing, more ups than downs to come.

It was easy to choose Trinity for what they believe and how they faithfully go about it. I've enjoyed meeting people from different churches in Perth and how they serve in different ways with their various gifts. It's a privilege to be in such a well-resourced community that equips people to serve both locally and in other, far less well-resourced, parts of Australia and the world.

Please pray that I will keep growing in wisdom, patience and endurance as I keep learning, and for good physical and mental health. Pray for us at Prov City as we seek to love and encourage one another in a growing community without a building to call home.

Please join with us in daily prayer; our major prayer points are in blue...
