PRAYER NOTES FROM TRINITY

Hi! My name is Alfindy Haynes, and I've been married to my husband, Daniel, for three years. Daniel is a high school Maths teacher, and we attend Campus Bible Church, formerly known as Unichurch Bentley that meets at Curtin Uni. Over the years I've benefitted and been encouraged by many Trinity alumni in their ministries, so it was never a question of where to study for me, just when to start. I am so thankful for this special time to be able to think deeply about God and how that shapes how I see the world and live my life. I am currently studying the Grad-Dip of Divinity and when that has been completed, I plan to be more involved in ministry at church and anything God points me towards. It is so encouraging that there are so many people who have seen it as a privilege to partner with Trinity to train men and women for gospel ministry both to their local community and globally. Please pray that I will use this time at College wisely and with immense thankfulness to God.

Please join with us in daily prayer; our major prayer points are in **blue**...
