

Church of Christ Albany (Western Australia)
Senior Pastor Role

The Church of Christ Albany is a vibrant, multi-generational church, committed to preaching the Gospel of Jesus Christ. We desire to become a more community-oriented church that is passionate about discipleship and mission. We are seeking a visionary Senior Pastor to lead us as we seek to make disciples, grow in faith and engage in meaningful service both locally and globally.

You would work alongside our Associate Pastors, with supportive Eldership and Executive leadership groups, ministering to a church of about 300 people.

We are an established, stable church situated on the south coast of Western Australia, 420km from Perth. With a population of approximately 41 000, Albany retains a small town feeling with city opportunities.

The Church of Christ Albany owns and operates Carnaby's Community and Leisure Centre. We host a thriving basketball and sporting community and an Alta-1 Middle School who use our facilities. In addition, the church has a missions focus with a playgroup, Bible study groups, Youth groups and a range of other opportunities to serve.

It is anticipated that the Senior Pastor will give encouragement in all areas of ministry to progress the mission of the Church but will be required to provide greater input in areas as listed in order of importance.

- Vision and Management
- Oversight of Preaching and Teaching
- Oversight of Pastoral Care and Fellowship
- Oversight of Worship and Prayer

The successful applicant will hold qualifications and experience appropriate to the role and will be able to align with our Statement of Faith, in addition to holding the right to work and live in Australia.
