PRAYER NOTES FROM TRINITY

Hi, I'm Jerome Birch, here at Trinity this semester to complete my final unit towards a Bachelor of Ministry, having previously studied for 2 years as a residential student at SMBC and a few other places along the way! I became a child of God when I was just 4 years old, having been born into a family with Christ at the centre, something I'm very thankful for. I currently worship at Woodvale Baptist Church.

A God-given love of mine are the Indigenous people of our far north. For 5 years, I served as a School Chaplain in the remote town of Halls Creek and am working towards serving again in the Kimberley with Pioneers as a long-term gospel worker and discipler. The spiritual needs in remote communities are deeply complex, hence communities like Trinity are essential for raising up workers who can handle well and hold the words of life (Phil 2:15-16). Please pray that I will attain this goal.

Please join with us in daily prayer; our major prayer points are in **blue**...
