

# PRAYER NOTES FROM TRINITY

Hi, I'm Hayden Griffiths, and I'm studying the Masters of Divinity at Trinity while working as the Youth Pastor at Providence City Church. I decided to study at Trinity because I could see the fruit of their teaching in the people I served under and alongside at church. It was evident that Trinity not only taught the Bible faithfully and thoroughly, but it was also an enjoyable place to learn. My wife, Katie, and I have two daughters under 3. Katie and I met in high school in Albany, were married at 20, and then moved to Perth to study at uni in 2014. So far, my favourite units at Trinity have been Church History and Romans, which, when put together, tell us the story of God's faithfulness from Abraham until now.

Please pray for my family and me as we try to balance the complexity of working in ministry while studying and having a young family; that we may trust in Jesus in all things and at all times for his glory.

Please join with us in daily prayer; our major prayer points are in **blue**...
